OBJECTIVE:

Aims: My goal is to become a key contributor in a globally recognized organization, known for fostering an exceptional corporate environment, where I can leverage my skills and knowledge to play a pivotal role in achieving the company's long-term objectives.

Goals: I am driven to continuously grow within the organization, striving to rise through the ranks and ultimately secure a leadership role that aligns with my career aspirations and professional development.

Ambitions: I aim to travel extensively across the country, immersing myself in a variety of landscapes and cultures, which will not only enrich my personal life but also broaden my professional perspective.

- Adaptability
- Communication Skills
- Dedication

PERSONAL DETAILS:

- Full Name: Sagi Venkata Sai Narasimha Raju
- DOB: 15-07-2004
- Address: 70-3-48/5,Road No 1H,Vidhya Nagar,Kakinada,Andhra Pradesh - 533005

PROJECTS:

1. **Online Art Gallery:** Developed an online art gallery web application using the MERN stack, enabling artists to showcase and sell their artwork digitally. Executed features like user authentication, product listings, and a secure payment gateway. Focused on delivering a responsive and user-friendly interface.
   Deployment Link: https://kalasthali.netlify.app/

2. **Placement Management System:** Developed a Placement Management System as part of the Enterprise Programming course, streamlining student placement activities and company recruitment processes. Executed modules for student registration, job posting, and interview tracking. Ensured seamless data management with an intuitive user interface.
3. **Scholarship Tracking System:** Developed a Scholarship Tracking System using the Java full stack to manage student scholarships and financial aid efficiently. Implemented features for student registration, scholarship applications, and real-time tracking. Focused on creating a user-friendly interface and secure data handling.
   Deployment Link: https://scholarshiptracking.netlify.app/
